NARRATIVE:

Williams, a registered sex offender, has an extensive adult criminal history that began at the age of 20. His convictions include sexual battery, disturbing the peace, possession of marijuana, and failing to report. He has served a 2 year prison term for sexual battery/rape. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on May 22nd 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of sexual battery is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make her a most wanted. If you know his whereabouts please contact...
